Rushville Consolidated High School

As students learn . . .
 As teachers teach . . .
 We grow together as one — a class.

As coaches instruct . . .
 As players practice . . .
 They perform together as one — a team.

Freshmen, Sophomores, Juniors, Seniors . . . titles and people
 separated by assigned pep-session seats and "Battle Cry"!
 "NO STEPPING IN SENIOR CIRCLE!"
 Alone and classified, we learned to give and take and slowly deepened and
 colored the "you and me" into "Us."
 The Lions gave seasons of time and effort, and we, the fans, gave our
 support. Together, we stood the victories and defeats as one.
 Mr. Turner's "tips of the hat" were given to the special students and
 groups that made RCHS a proud school.
 Feeling as one, we learned to accept the good and the bad; thus pulling
 us closer together and benefitting all.

Rejoicing in the Differences

The Spirit of Homecoming

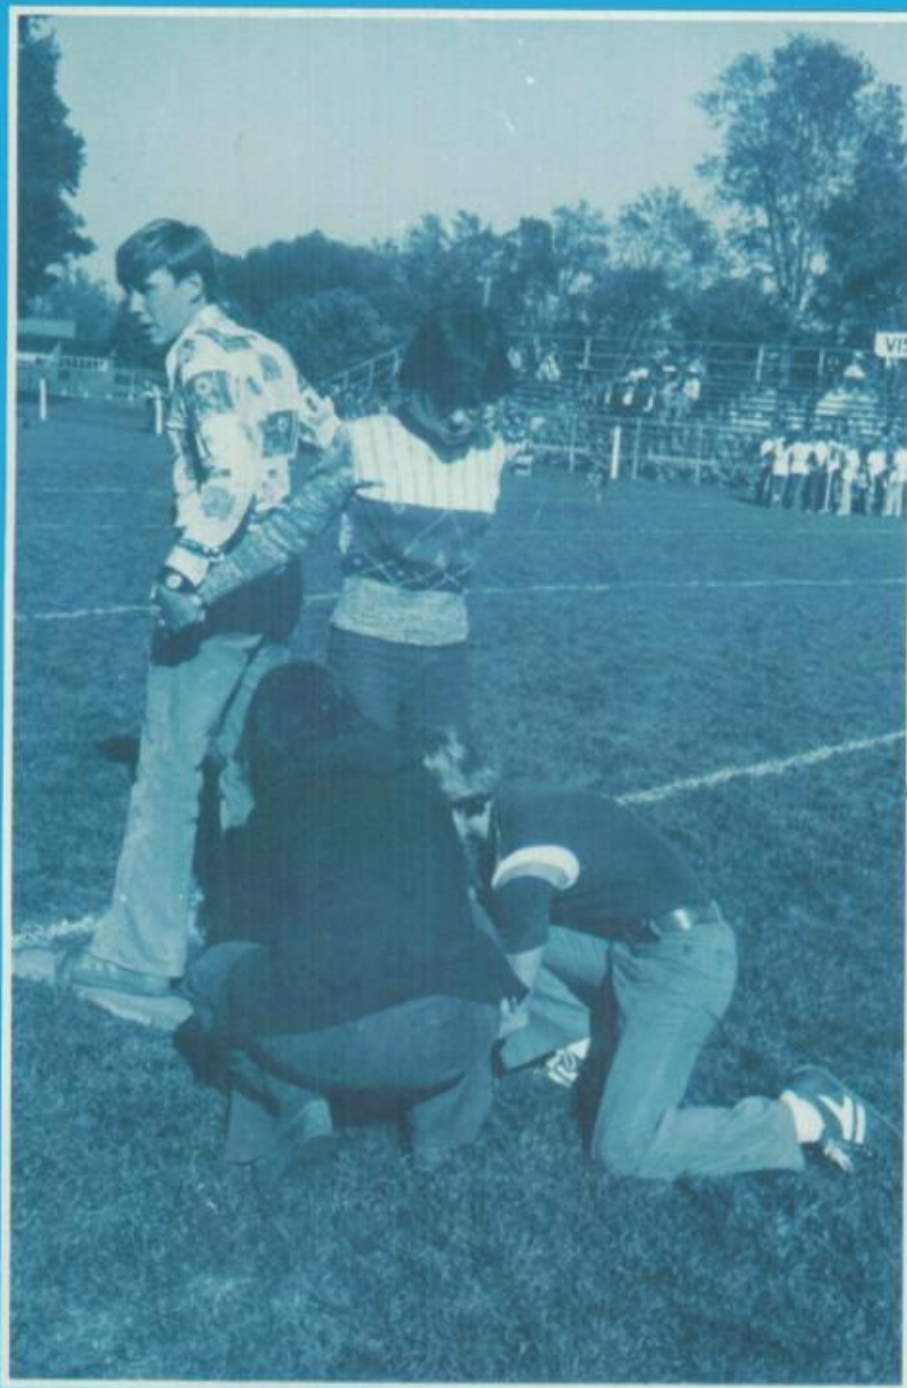

The brisk, chilly afternoon of Homecoming saw each of four classes victorious in some respect. The SENIOR men won over the Freshman boys in the male Tug-of-War competition. In the female Tug-of-War, the Junior women defeated the Sophomore girls.

In a frog strangling overtime game, the Sophomore girls tripped the SENIOR women by a small margin in the Powder Puff football game. The Junior class was the victor in the Mini Games as they whipped the Greenie team.

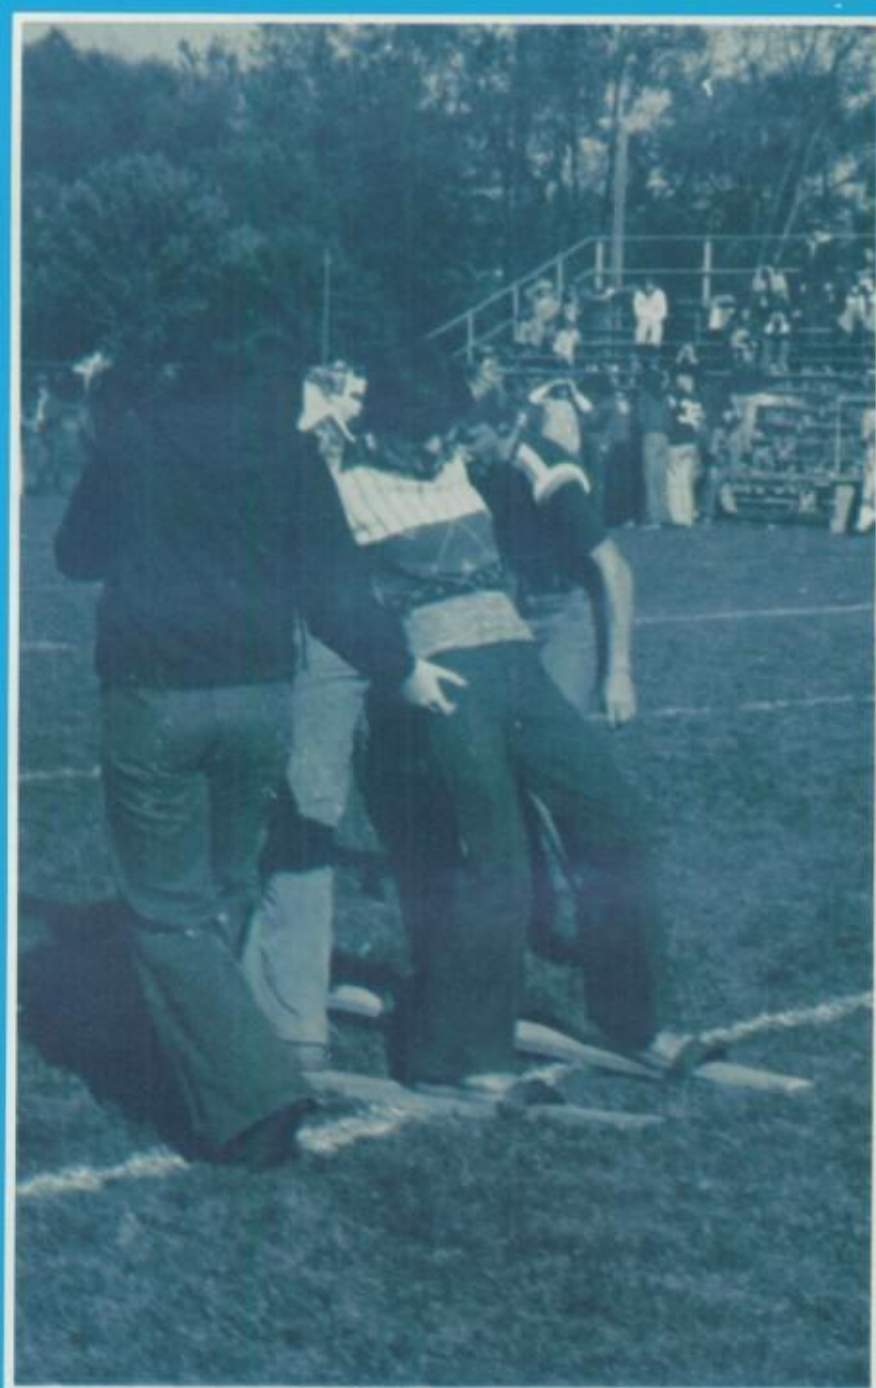

In a show of dexterity and cleverness, the SENIORS finished in first place with their magnificent showcase. For the second consecutive year, the Mayor's Trophy for the most outstanding banner was won by the Freshman class.

All in all, Homecoming afternoon was a shiveringly exciting time.

You Light Up My Life

The Homecoming Queen and her court, as well as Rushville's battle with Martinsville and the colorful post-game dance, lit up the atmosphere on the evening of Rushville's Fall classic. SENIOR Claire Nelson was crowned queen as her court of SENIORS Brenda Burkhart and Doreen Ruby, Junior Shelly Custer, Sophomore Jane Breece and Freshman Jenna Malson looked on.

Claire Nelson was tearfully ecstatic as the Homecoming Queen crown was placed on her head. Brenda Burkhart walked around in a daze when she found out she was a queen candidate. Being chosen for the court made Doreen Ruby feel numb all over.

The rest of the court was very excited and proud to have been elected to represent their classes.

Homecoming was a very electrifying experience due to the thrilling football match, the dance and the brilliance of the Queen and her court.

Lions Show Their "Feats"

D.

The 1977 Varsity Football Season had its ups and downs. Nevertheless, Coach Leisure's Lions leaped to an above average season. The fine 6-4 record was due to the outstanding defense and the superb rushing ability of Robbie Hall. Hall was also the leading scorer followed by Jon Bowling. Leading tacklers included Ron Overleese, Mike McManus, Jon Bowling, Jesse McCleese, Jeff Dennis, Ron Weiler, and Jeff Koors.

The 1977 season was highlighted by many exciting moments. Rushville defeating Jeffersonville, scoring 26 points in one half of the game against Batesville, and Robbie Hall's 50 yard running to beat Connersville were all a big part of the season. Even though Rushville lost to Martinsville, the homecoming game was action-packed and well played.

According to Coach Leisure, the 1977 season was an overall great year and some of the best football the Rushville Lions have ever played.

Coach Leisure, as well as the many mighty Lion fans, are looking forward to an outstanding 1978 football season.

Reserve Gridders Tackle Job

A.

The reserve football team had a fine 5-4 record due to a strong defensive line and an outstanding running game. Regarding the 1977 season, Coach Young said, "It was a real good season. We won a few we shouldn't have and lost a few we shouldn't have. This made an interesting season." Nevertheless, Coach Young stated that the pass defense and passing were both weak. Outstanding offensive players were Brian Kendall and Mike Heller. Mark Walker had an excellent season defensively. Next year's reserve team hopes to be even better than the '77 squad.

A. Coach Young and the referee discuss the play. B. The reserve defense stops the opponent at the 35-yard line.

B.

Frosh Have Green Year

A.

"It was a year that the boys had fun playing and coaches enjoyed coaching," was freshman football Coach Gratzer's comment. Coach Gratzer also stated that desire to play and good team spirit, as well as good running backs and hard-working defensive players, were all needed assets to the 1977 freshman football season. However, Coach Gratzer emphasized that the losing season was due to mid-season ineligibility. This was definitely a weakness in the freshman football season. Nevertheless, the freshman squad still had a reasonably decent season winning three games and losing five. Outstanding players for the freshman team offensively were Tom McDonald and Richard Smith. Both had a tremendous season. Paul Logan had an excellent season on the defensive side of the team. But everyone else pulled together to make the 1977 Greenie football season a most memorable one. Everyone is looking forward to next year when the freshman team members will help improve the Reserve and Varsity squads.

CC Comes to a Struggling End

"We had a good season. We had a very young team with a fine attitude. The next two years should be good with these young runners," said Coach Brown when asked about his cross country team. The 1977 cross country team had a 5-9 record. They came in 13th out of 24 teams in the sectional, and finished 7th in the conference.

Coach Brown stated that the team needed a runner who could run 2½ miles in less than thirteen minutes. However, he said that the strengths of the club were a good attitude, and a strong sophomore group.

Tom Hood, Greg Jarman, Tony Ratekin, David Webb, Brian Young and Roger Lee all had an outstanding running season, and all hope to be back for an even better 1978 year.

Racketmen "Net" Good Season

"We beat the people we should have and played well against those who we felt would beat us," was tennis Coach Gibson's statement when asked about the 1977 season. Coach Gibson also remarked that he was pleased with the 8-5 season. He stated that inexperience and changes in the lineup were the two major weaknesses for the year. However, good players such as J. R. Billman, David Todd, Jeff Pennington, Terry Newman, Brent Dyer and Jim Gridley gave RCHS an excellent season. Coach Gibson was disappointed with the Sectional and felt that the Rushville squad should have won. Sickness, as well as not being mentally prepared, played a part in the loss. The 1978 season should also be good because five of the top players will be returning.

Golf Team "Holes" Out

This year the golf team had a big job in front of it. Before they hit the first tee, the squad had great expectations with five returning lettermen.

The linksmen's main goals were to remove the jinx placed on them in the SCC Tournament and also to travel to the state tourney in June.

The long hitters for the team were Jim Gridley, John Kinman and Mark Miller. With four years of experience, they added to the depth of the first five players. Coach Bill Gray was the leader of the team encouraging the players to work toward improving each phase of their game.

Girl Golfers Play to a "Tee"

A.

The 1977 Girl's Golf Team had an outstanding season, winning all of its matches. Coach Bill Gray said that the tremendous 12-0 season was due to the good competitors, dedicated players and hard workers. However, Coach Gray said that too few people was a missing link to the season. With Jan Kleiman leading the way, the team placed second in the Sectional, fifth in the Regional and third in the conference. Jan was ranked fourth in the State. Coach Gray hopes that next season will be even better since all the girls are returning.

Practice and Season

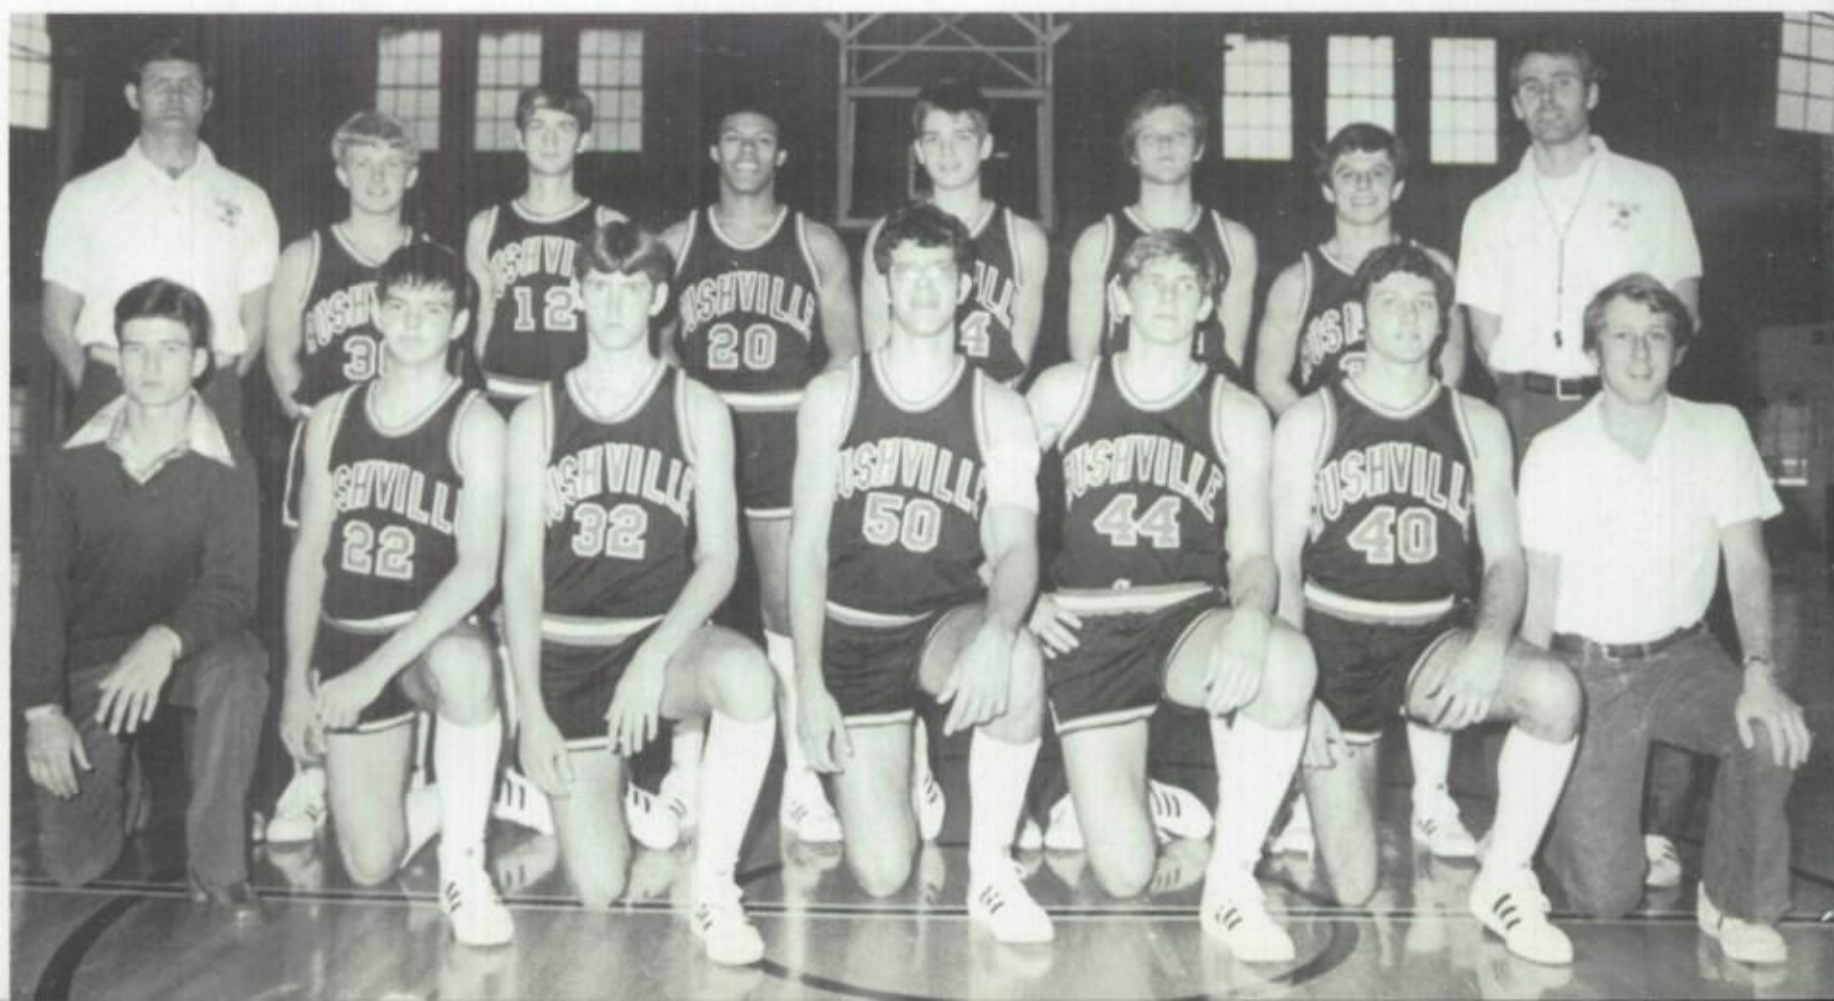

Lions Are Forever!!!

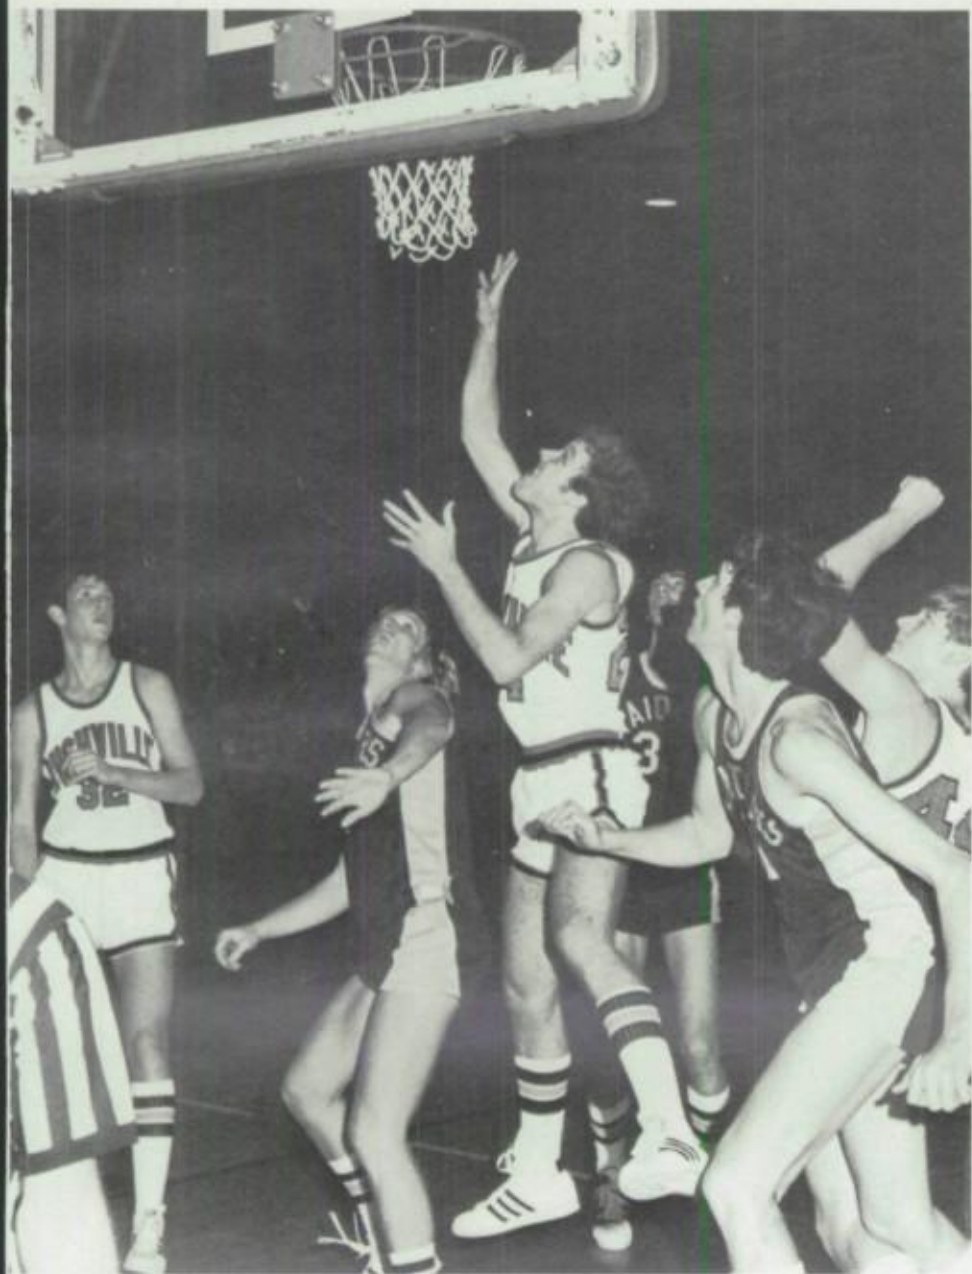

"All in all, this has been a year of ups and downs. I was disappointed in our inability to play to our potential each game," said Coach Leonard Krebs when asked about the 1978 Lion season. The loss of Greg Harcourt after the Muncie North game hurt the team's chances of having a better seasonal record. This weakened the depth in an area where the team could least afford to lose a player. However, the Lions won an exciting sectional and on to the regional they went.

Unfortunate, But Hard Working

"It was a disappointing year from the kids' standpoint. They always gave 100%; even though they were losing, they played hard," said Reserve Basketball Coach, Bob Adkins. "A coach can't expect more than they gave," he added.

Coach Adkins said the team had many strengths that included having patience, making few errors, and making few turnovers. However, Adkins stated that lack of size and lack of quickness were two weaknesses of the squad. Rick Price and Allen O'Dell were two key players on the team.

In closing, Coach Adkins said, "The reserve team of 1978 was the hardest working team I've ever coached."

Frosh Attitude Makes Season

A.

B.

"The team had a good attitude and hustled at all times," said Coach Ken Stanley when asked about the strengths of the Freshman basketball A team. Coach Stanley also said that the team was a close knit group and had fun playing the game. On the other side of the court, B team Coach, Dennis Gibson said his squad had fun and were very dedicated.

Coach Stanley mentioned that low shooting percentages and mental lapses were a few of the weaknesses of the A team. The B team's size was a foible during the 1977-78 season.

Outstanding players for the A and B teams were Wayne Messer, Mike Wedding, Tom McDonald, Jim Easley, Richard Smith, Steve Moody, Billy Linville, Rob Swain, David Richardson, Tim Shelton, Steve White. Coach Gibson summed it up when he proclaimed, "The team has the ability to do what's necessary."

Soccer Kicks Into RCHS

The 1977 Rushville Soccer Team had a fine first year. Coach John Wilson said that valuable team members played an essential role in Rushville's success. Halfbacks Carlos Romero and Scott Ruby, center forward Steve Widau and defensive fullback Jon Vogel all had tremendous seasons. However, Coach Wilson stated that one definite weakness was the inexperience of the first year. Also, he said that the soccer team had no money to support them, no awards to give out and no uniforms.

The soccer team played one pick up game which was a loss to Columbus North. The team entered the state tournament losing to Bloomington South in the first game.

Coach Wilson's plans for next year include scheduling more games and adding new equipment.

A. Bruce Smith hustles at soccer practice. B. Greg Pratt temps to make a goal.

Volleyball Team Improves With Age

The 1977 Girl's Varsity Volleyball team improved greatly from 1976. This, along with the tremendous improvement of individual players pleased volleyball coach Cindy McDaniel.

Coach McDaniel commented that she noticed more team unity, pride and enthusiasm in 1977.

Coach McDaniel stated that skills in fundamentals, especially passing and serving, were definite strengths during 1977. Bev Rushton, Barb White, Mindy Niehoff, and Mindy McManus were all outstanding players for RCHS. Next year should be another excellent season due to the fact that only one senior will be lost.

The reserve volleyball team had an unfortunate 2-10 season.

The 1977 Wrestling team is getting better every year according to Coach Stratton. Their record proved this. Last year's record was 0-8, as compared to this year's 3-5. Brian Shananhan, Jess McCleese, and Jeff Dennis were Sectional Champions in their weight classes. Stratton also stated that his younger wrestlers contributed much to this season, and he looked forward to seeing them again next year. One highlight of this year's season was the victory at Shelbyville, where Rushville reigned over three other schools.

Gymnasts Show Graceful Movements

The inspirational performances of Olga and Nadie have been instrumental in increasing the popularity of women's gymnastics world wide. The Rushville women's gymnastics has been in existence four years. This year's team had many new members and a new coach. They showed improvement after much practice and experience.

The future outlook of the team was good with the loss of only one member, Senior Karen Herbert. The captains, Joyce Durbin and Kim Reddish were optimistic about the outcome of the season.

"A Man Called Peter"

The first semester play had a streak of bad luck as far as weather was concerned. Because of the blizzard the play was postponed, and postponed, and postponed again, but after the sun broke through, the show did go on.

"A Man Called Peter" was the play for the first semester. Double casting was used for the first time in the Drama Department. In double casting, each role of the play is portrayed by two people instead of the same person playing that role during all performances.

The leads were Mark Miller and David Todd as Peter Marshall, Cathy Dean and Danna Lohman as Catherine Marshall and Julie Fishell as Judith Bickle.

Although Peter Marshall was well-known for his achievements as a Scottish minister, the play is equally concerned with the Marshall home and the conflicts that confront the family.

Despite the religious nature of this play, it was doubtful at times whether or not the "show would go on" . . . due to an Act of God.

A. Peter Marshall and Mrs. Marshall discuss plans for his future. B. Judith Bickle tells Peter Marshall her plans for the church. C. Peter, Peter John, and Catherine join to sing "Loch Lomond." D. The cast, along with Peter Marshall, sing the grand finale.

It Was Sweetheart Heaven

"Sweetheart Heaven," was the theme of the 1978 Turnabout Dance. Cathy Dean was this year's Holcad Queen. Cathy was a Junior, a change from past years since the queen is usually a Senior. Cathy's court consisted of Doreen Ruby, Brenda Burkhardt, Carol Niehoff, and Bev Rushton. The band "Sunshine" entertained with a variety of songs, ranging from Elvis Presley's "Jailhouse Rock" to Fleetwood Mac's big hit "Dreams." A garden setting complete with cupids and a fountain, created a warm atmosphere on that cold, romantic night in February.

A. Holcad Queen, Cathy Dean with court; Doreen Ruby, Brenda Burkhardt, Carol Niehoff, and Bev Rushton. B. Cathy Dean with escort Mike Mahan. C. Diane Waits crowns Queen Cathy Dean. D. Doreen Ruby with escort Dave Todd. E. Carol Niehoff with escort Mark Miller. F. Brenda Burkhardt with escort Greg Harcourt. G. Bev Rushton with escort Jon Vogel.

"OUR HEARTS WERE YOUNG AND GAY" was presented by the RCHS Drama Department in May. It was under the direction of Mrs. Marcia Blair.

The play was a light comedy telling of the adventures of Cornelia Skinner and Emily Kimbrough as they traveled to Paris, and their mishaps along the way. One such mishap occurred when Cornelia broke out with the measles the morning the boat docked. Emily, Dick and Leo tried to hide Cornelia's spots by plastering make-up and powder all over her face. Cornelia passed the inspection but almost flunked the mental test. More mishaps like these continued till the end of the play. In the end Cornelia realized she would have a future in the theater.

Mrs. Bishop 32 Years at RCHS

Mrs. Bishop began teaching Latin 40 years ago at Glenwood High School. She spent one year there, four years at Manilla High School, and three years at Greensburg High School. She then decided to come to Rushville. Mrs. Bishop said she stayed with smaller schools because she liked the closeness with the students and the teachers. Of her memories of Rushville, Mrs. Bishop said that she will remember the friendliness of the people and the enjoyment of coming to school and not dreading it. She

stated, "The students at RCHS haven't changed much. They've always been generally agreeable and well-adjusted people." However, Mrs. Bishop's advice to the students was to take advantage of the materials in the library because a library habit is very useful for the future.

Although the gong had collected quite a few pennies in the past 32 years, Mrs. Bishop kept law and order in the RCHS library, and we will miss her.

Seniors Show Achievement

Two special privileges granted to Seniors were going half days and being cadet teachers. Both of these activities prepared the students for their future.

Half-day students spent part of the day in class and the other part in on-the-job training. Cadet teachers gained experience by participating in actual classroom situations at the elementary school.

Next year there will be no half days for students; consequently, the half-day students of 1977-78 should feel very privileged.

KC and

Amidst the televisions, cassettes, cameras, records, projectors, and tapes in room 110, KC and the HOLCAD staff toiled and labored at bringing about the most successful yearbook in the history of Rushville High School. And they did. Senior editor Kathy Carr, veteran in her own right, led the rest of the staff in writing, cropping and editing. Editor Carr forced an outstanding yearbook by assuring twelve complete pages a week and by showing no mercy to those who disrespected her. Carr held more than just the master key. At editor Carr's beck and call was young, naive junior editor Diane Waits. Although Diane was a rookie, she possessed spunk, courage and pizzazz which assures her of an outstanding yearbook next year. Deep down in the darkroom thrived photographer Libby Eaton toiling with the film and enlarger. Where there was action, there was Libby and her camera. Nick Gulde, Mark Miller, and Jeni Sloan were often found struggling with layouts, grease pencils, and croppers. However, they always seemed to come up with the right combination to make the HOLCAD the best yearbook ever. Copy editor Sue Prifogle was called on regularly to produce a few outstanding lines of writing or to give advice about grammatical uses. Brian Schutt did many of the remarkable sketches that appear throughout the 1978 HOLCAD. With open arms, A-V woman Mrs. Shaw welcomed the HOLCAD staff into her humble, but accommodating abode. Filled with joy each day of the week, she brought merriment to the staff as she watched over it with the eye of an eagle.

A. Senior editor Kathy Carr finds work humorous? B. KC and the HOLCAD staff. C. Sue Prifogle and Jeni Sloan are not just singing in the rain. D. Bryon Schutt waits with pencil handy. E. Libby Eaton and Diane Waits pose. F. Nick Gulde and Mark Miller climb poles.

There's An "Academic" Going Around

Physical Fitness

Physical education included not only sweaty gym socks and running up and down the gym floor, but also Health 1, Health 2 and Driver's Ed. Health 1 and two semesters of gym are required for graduation. Health, gym, and Driver's Ed. may be taken during summer school. Health 2 included studying first aid, alcohol, tobacco, drugs and narcotics. Next year the gym classes will be co-educational, this means that boys and girls will have gym classes together. For all you guys who have already completed your gym requirements, don't feel bad — rumor has it there will be separate showers.

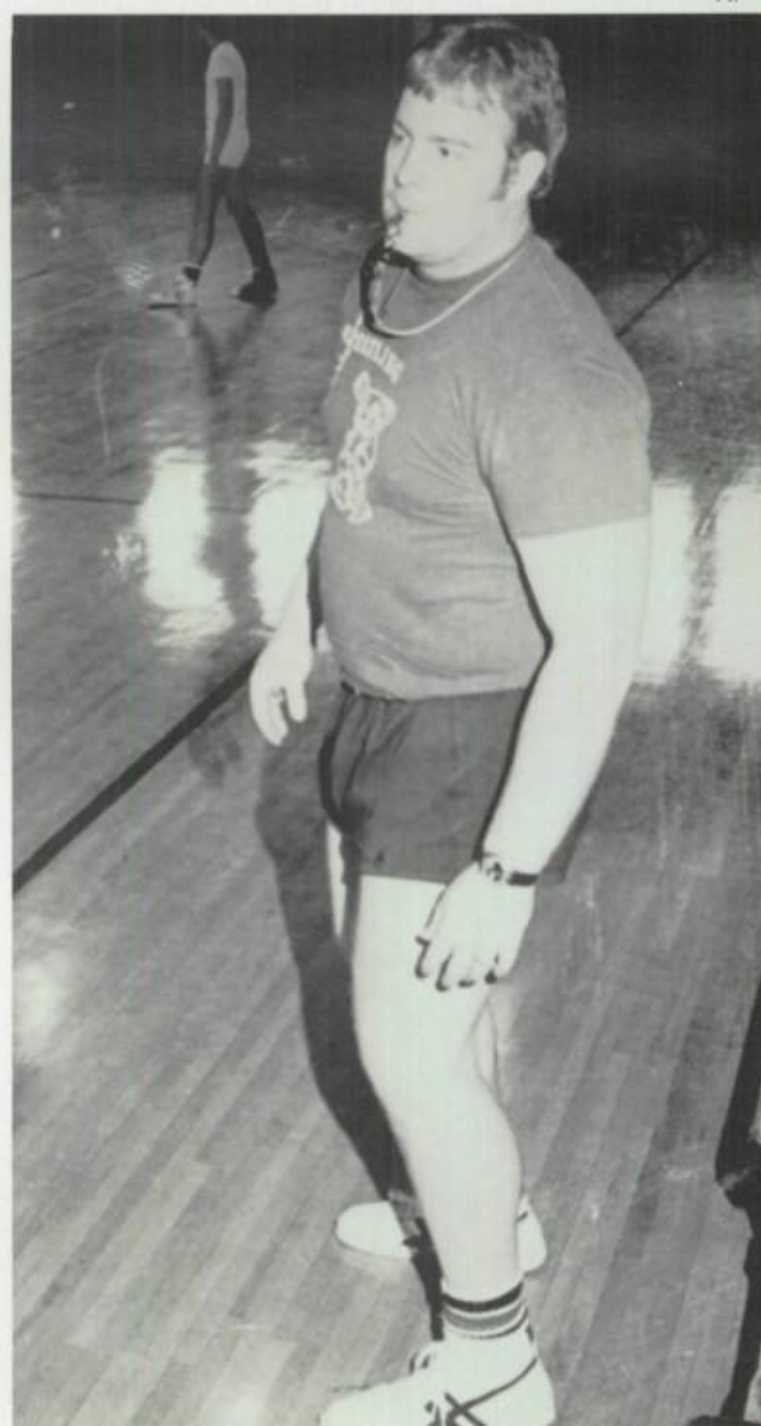

A. Debbie Newkirk prepares to volley the ball. B. Melinda Buckley demonstrates the fine art of karate. C. Mr. Stratton observes his freshman gym class.

The math department at RCHS included one required year of Algebra 1-2 or General Math 1-2 taken during the freshman year. The other offered courses of math were Geometry 1-2, Algebra 3-4-5, Foundations of Advanced Math, Computer Programming and Consumer Mathematics. There were many courses available and many students took advantage of these courses to prepare for college.

The business department offered students a variety of courses that prepared them for the future business world. Some of the more common classes taken were General Business 1-2, Typing 1-2-3, Office Machines, Business Arithmetic 1-2, Records 1-2, and Accounting 1-2. For the more serious business minded students, Shorthand 1-2-3-4, Office Practice and an Intensive Office Lab were offered. During the second semester, office lab girls were given the opportunity to work at business firms throughout the county.

A. Nancy Hume shows her concentration while typing. B. Mr. Voiles shows Lois Marlatt how to "compute."

Reading, 'Riting 'n Rhetoric

Language study was very important whether it was French, Latin, Spanish or English.

Three years of English were required for a student to graduate. During this time many novels and plays were read including **The Pearl**, **To Kill a Mockingbird**, **The Red Badge of Courage**, **Julius Caesar**, **Death of a Salesman** and **Huckleberry Finn**.

Opportunities in the communicative and English departments were endless. Students swallowed their fears and spoke up in speech class. They acted out an original skit in drama class. By taking foreign languages, some students learned how to say "parlez-vous francais?" — or were taught about ancient gods — or learned that "que sera sera."

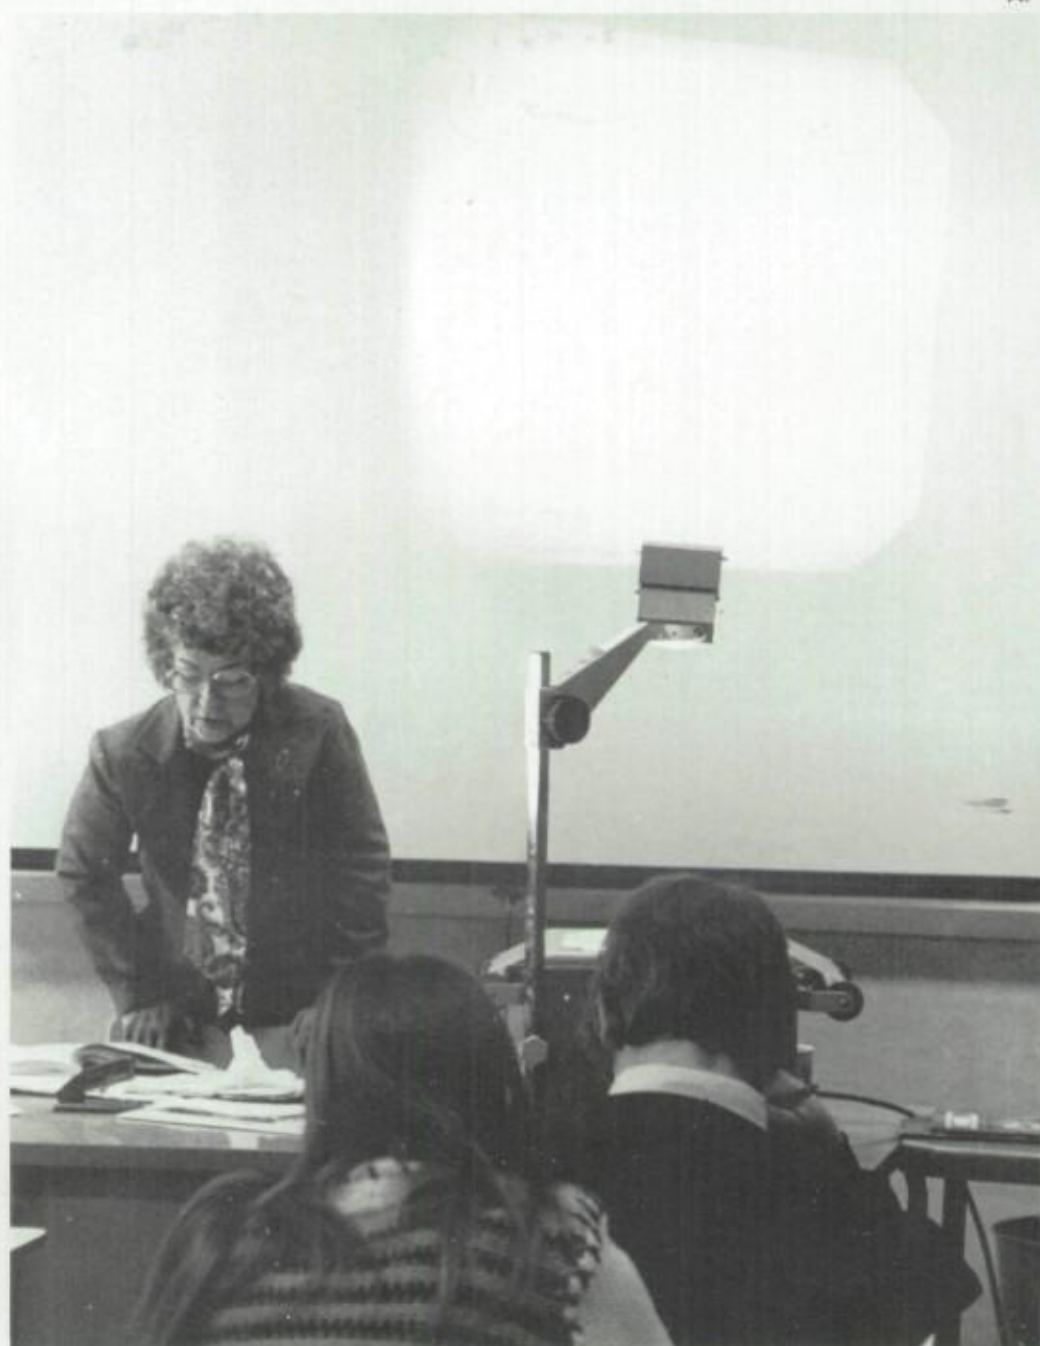

A. Drama students imitate cheerleaders? B. French class puts a smile on Molly Buckley's face. C. Mrs. Ludington teaches the fine points of English.

Bands, Choirs Keep Time

A.

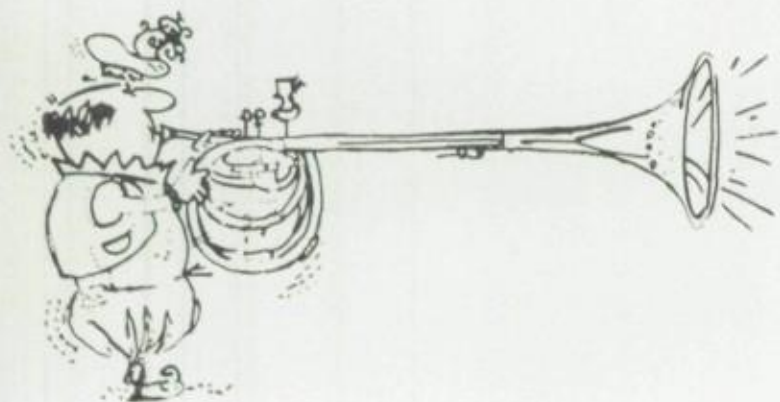

Seldom are the music rooms quiet, whether it be the choirs singing or the bands swinging. Mr. McGinnis and the band stayed in constant beat while Mr. Henderson's choirs tapped their feet.

Two bands and the dance band met daily as did the four choirs. The entire music department performed magnificently all year 'round.

A. The Men's Glee Club shows that they have muscles as well as vocal cords. B. The Freshman Choir tunes up for another practice session.

A Wide Range of Social Studies

Ideas ranging from "four score and seven years ago," to the death of Hubert Humphrey, to the Blizzard of '78 were discussed in the Social Studies Department of R.C.H.S. Social Studies was first offered to students when they were sophomores, with six semesters required for graduation. Required courses included World Geography or Introduction to Social Studies. Seniors were required to take two semesters of government or Senior Social Studies to receive their diplomas in the spring. Juniors had two required semesters of U.S. History. One semester of Economics, Psychology, or Sociology was to be taken during either the junior or senior year. Other Social Studies courses offered at R.C.H.S. were World History, Humanities Bible Literature and History, and Psychology 2.

A. Mark Henderson looks for further evidence to make a stock exchange. B. Economic students discuss the stock market.

Food, Fashion, and Farming

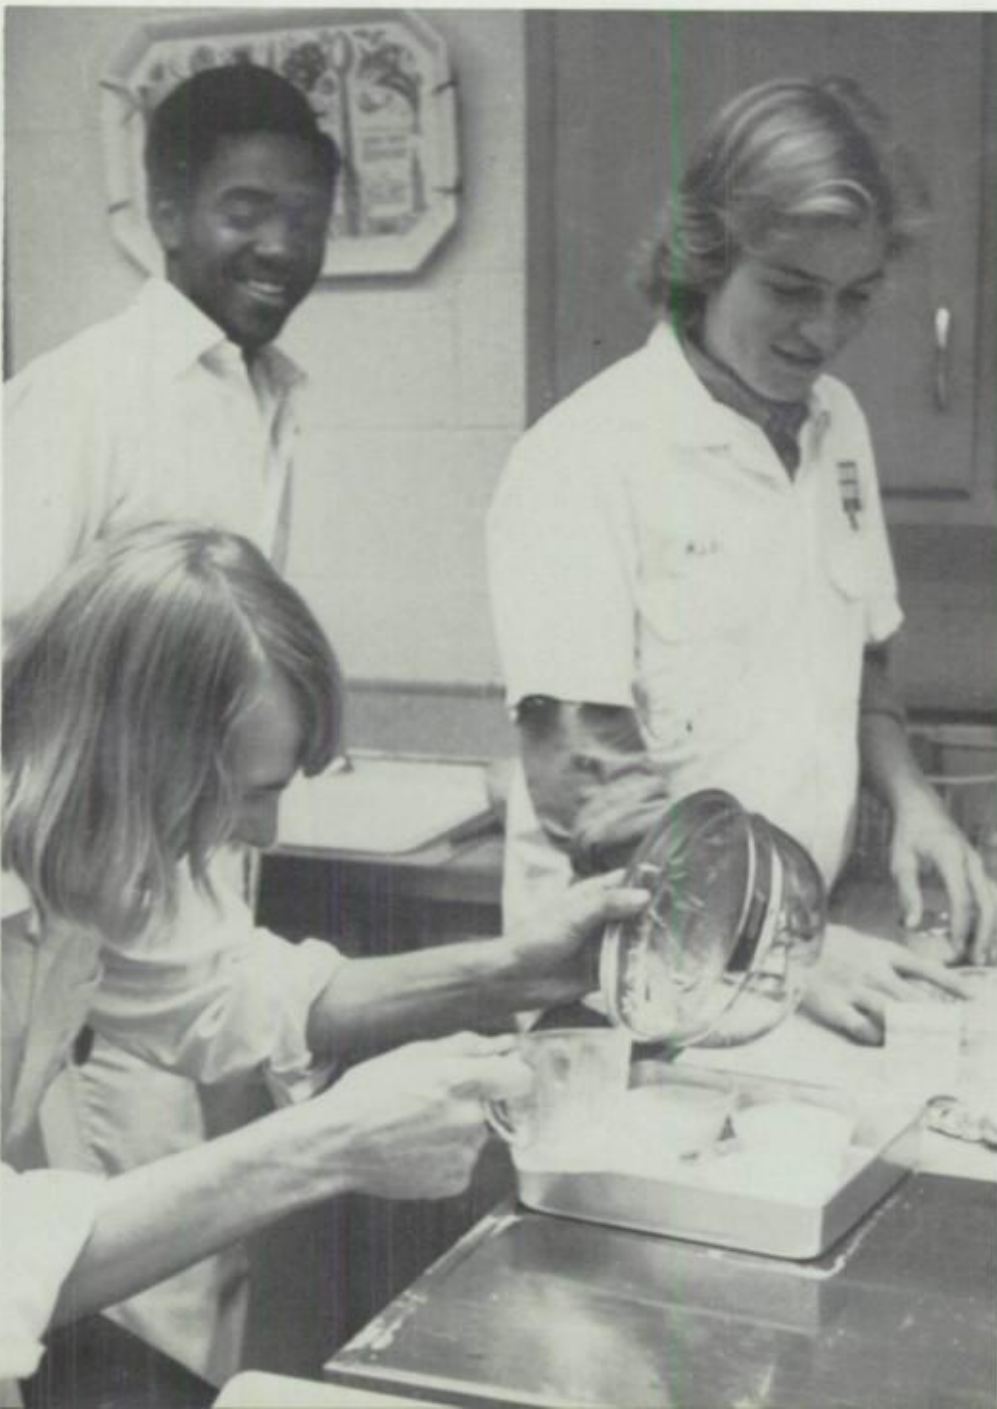

In the Home Economics Department, students were taught the necessities of selecting foods and clothing. Clothing classes taught students how to purchase fabrics from cotton to Qiana. Foods classes taught students how to plan and prepare nutritious and appealing meals. These classes were essential for the future of the students.

Housing Furnishing and Management, Child Development, and Family Living were other classes taught at RCHS in the Home Ec. Department.

The Vocational Agri-Business Department did more than just raise cane. Students learned many aspects of farm life, including how to raise animals, keep farm records, and judge soil. The soil judging team went to the Soil Judging Nationals this year. To learn all the aspects of the farming occupation, the students had to have access to a farm.

Industry Builds Professions

Architectural Drawing, Woodworking, and Power Mechanics were just three of the thirteen Industrial Education classes available to students attending RCHS. What was once thought of as a department for men was becoming liberated due to the ever increasing number of women enrolling. Industrial Education was not an easy class, but a class dedicated to teaching the principles of the art and preparing a student for professional training.

A. Students must learn to use complicated machinery. B. Precision has been drilled into the mind of this student. C. Jay plays a different game of "concentration."

A Close Encounter With Nature.

Between dissecting worms and grasshoppers, students still had time to cut-up in biology class. Biology was an essential class to familiarize students with the biological world. From Phoebe to the frog, biology was interesting and fun. Our biology department was well equipped and RCHS had three qualified teachers. Chemistry was one of the more challenging science classes especially important to the student preparing for college. Although the class demanded serious study, it provided perspective Dr. Jekyll and Mr. Hydes the opportunity to perform interesting experiments.

A. Another Dr. Jekyll and Mr. Hyde. B. The air is "worm" in the biology room. C. Brian Young carefully examines the contents of a test tube.

It wasn't the first tractor you looked at. You studied literature. You asked questions. You visited several dealers. It's a whopping investment, and you were sure before you made it. You're just as selective when buying cattle or other livestock. You judge brand or breed on the basis of performance, service, and value. Be the same way about your source of operating capital.
